Description :

PDF-4ffc0 | This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British anc... *Albion's Seed: Four British Folkways in America (America: a cultural history)*
