Description :

PDF-68544 | This book traces Cicero's thought on law as an advocate; as the friend of jurists; as writer on the philosophy of the 'higher law'; and as a politician who both asserted and subverted the rights of citizens under the law. The Roman Republican jurists, hitherto largely neglected by historians, are placed in their intellectual, social and political context. As the institutions of the old Republic co... *Cicero and the Jurists*
