Description :

PDF-cd3b0 | This edition is the first since J.D. Denniston's of 1926 to present the Latin text and commentary on the First and Second Philippics, two of Cicero's most polished orations, composed less than six months after the murder of Julius Caesar in March 44 BC. This period--roughly 63-44 BC--is important because the Roman state was in transition from Republic to Empire. The Second Philippic not only prese... *Cicero: Philippics I-II (Cambridge Greek and Latin Classics)*
