Description :

PDF-d1a2f | Humanist, skeptic, acute observer of himself and others, Michel de Montaigne (1533—92) was the first to use the term “essay” to refer to the form he pioneered, and he has remained one of its most famous practitioners. He reflected on the great themes of existence in his wise and engaging writings, his subjects ranging from proper conversation and good reading, to the raising of children an... *The Complete Works (Everyman's Library)*
