Description :

PDF-d568f | Proclus' Elements of Theology is a concise summa of the Neoplatonic system in its fully developed form; and for the student of late Greek thought, second in importance only to the Enneads of Plotinus. Dodds has provided a critical text based on a personal examination of some forty manuscripts, together with an English translation and a philosophical and linguistic commentary. This second edition i... *The Elements of Theology: A Revised Text with Translation, Introduction, and Commentary (Clarendon Paperbacks)*
