Description :

PDF-e0939 | Conceived as part of a literary game among friends in 1816, Mary Shelley's Frankenstein is today regarded as a classic piece of 19th century literature. The story begins with the journey of an adventurer, Robert Walton, who saves the life of a man at the North Pole. That man, Victor Frankenstein, tells Walton about his experiments with the creation of life and how he ended up at the North Pole. ... *Frankenstein: The Graphic Novel (American English, Original Text)*
