Description :

PDF-89ae9 | This is a title in the Bristol Classical Press French Texts series, in French with English notes, vocabulary and introduction. Marie de France occupies a unique place in the history of literature as one of the earliest female writers of medieval Europe. In the second half of the 12th century she composed 12 poems, known as the "Lais", which offer a blend of romance and realism. Through these poems... *Marie de France: Lais (French Texts)*
