Description :

PDF-74523 | It is one of the great mysteries of human nature. Why are some people worriers, and others wanderers? Why are some people so easy-going and laid-back, while others are always looking for a fight? Written by Daniel Nettle--author of the popular book Happiness--this brief volume takes the reader on an exhilarating tour of what modern science can tell us about human personality.

Revealing that our pe... *Personality: What Makes You the Way You Are (Oxford Landmark Science)*
