ISBN : #0140442014 | Date : 1968-06-30

Description :

PDF-33124 | "Man was born free, and he is everywhere in chains" These are the famous opening words of a treatise that has not ceased to stir vigorous debate since its first publication in 1762.

Rejecting the view that anyone has a natural right to wield authority over others, Rousseau argues instead for a pact, or 'social contract', that should exist between all the citizens of a state and that should be the s... *The Social Contract (Penguin Books for Philosophy)*
