Description :

PDF-b3ee0 | The six threshold concepts outlined in ACRL's Framework for Information Literacy for Higher Education are not simply a revision of ACRL's previous Information Literacy Competency Standards for Higher Education. They are instead an altogether new way of looking at information literacy. In this important new book, bestselling author and expert instructional librarian Burkhardt decodes the Framework,... *Teaching Information Literacy Reframed: 50+ Framework-Based Exercises for Creating Information-Literate Learners*
