Description :

PDF-cd685 | A selection of George Orwell's politically charged essays on language and writing that give context to his dystopian classic, 1984 Throughout history, some books have changed the world. They have transformed the way we see ourselves—and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives—and destro... *Why I Write (Penguin Great Ideas)*
